

## 2021+ Ford Bronco Sport Rear Seat Safe Instruction Sheet (1111)

### Installation Steps:

- 1) Review all steps before initiating installation.
- 2) If applicable, reset the combination lock before beginning installation.
- 3) Put both rear seat backs in the up position. Open the passenger side seat cushion by lifting the very top, exposing the storage compartment. Remove any contents of the storage and the plastic liner (3).
- 4) With the door in the open position, carefully slide in the safe body with the lock facing towards the rear of the vehicle console. Ensure that the safe is seated all the way down into the console compartment (4).
- 5) Insert the **2, 1¼" Screws** into both side insert studs (5, **ORANGE**) and the **2, 2" Screws** into both front insert studs (5, **BLUE**). Then using a **3/8" Socket Wrench**, complete tightening until all screw heads fully contact the insert nuts and **STOP! (5) Warning! Overtightening the screws will cause damage to the threads.**
- 6) Insert the pad into safe (6).
- 7) The installation is now complete.
