

CONSOLE VAULT[®]
INNOVATIVE SECURITY SOLUTIONS

HOW TO BECOME AN AFFILIATE STEP BY STEP

OVERVIEW:

Console Vault's affiliate program is an excellent way to generate additional revenue, providing you with a generous 10% commission for any and all sales you refer to our website through your website, blog, or the forums you actively participate in.

In order to become a Console Vault affiliate, simply create your account on our website following the process that follows.

You must have an operating website and supply a Tax ID #.

Once approved (the approval process takes one business day or less), you will then be able to access banner advertisements for your website, as well as a tracking code that enables your orders to be accurately recorded.

Once an order is closed from one of your referrals, you will receive an email confirming your referral and earnings.

You will then receive the 10% commission on the order total, not including shipping, which will be sent to you via check at the end of every month.

1. CREATE A CUSTOMER ACCOUNT:

To become an affiliate you will first need to “*Become a Customer*”. If you are not a customer already, click on MY ACCOUNT in the upper right hand corner of our website. Select CREATE ACCOUNT under New Customers and follow the instructions to sign up.

YOU MUST enter your company’s full name and tax ID# to trigger an affiliate account creation page when you create your customer account.

Once the form is complete, then click on the register button and you will see the confirmation page pop up.

Then navigate to the Affiliate Program tab under CUSTOMERS tab in our top navigation menu on our website.

2. AFFILIATE SIGN UP:

YOU MUST have an operating website.

Once you are on the “*Become an Affiliate*” page, click on the CONTINUE BUTTON.

The “*Affiliate Registration*” page will then appear with your Tax ID# already filled in.

Enter your website address, then accept the Affiliate Program terms and click on the proceed button.

Your company will now be registered as an Affiliate.

3. ADD AFFILIATE BANNER TO YOUR WEBSITE

4. PROMOTE AND WATCH YOUR MONEY ROLL IN!

CUSTOMER ACCOUNT PAGE:

The "My Account" page provides details on your billing & shipping information, orders and affiliate statistics.

Orders for customers that come to our website as referrals will create their own accounts which will be linked to your Affiliate account automatically.

Use the link "View Details" to see your Affiliate Program Results.
